Prentiss Kent is in Hartford, Conn., and New York City visiting friends.

Miss Sarah Hillard of Rutland is visiting among relatives and friends here.

Miss Ruby Pember of Wells recently visited Mr. and Mrs. John Wellwood.

A masquerade ball under the auspices of Ows' Head Camp, M. W. A. will be given at School hall on the evening of February 19. A good time and plenty of fun is assured for this occasion.

Many expressions of regret and sympathy are heard at the serious illness of Miss Bertha Gilbert in Northampton, Mass. Miss Gilbert is the daughter of Rev. George Gilbert and is suffering from a severe case of typhoid fever.

Mrs. Olive Roberts passed away at her home on Sunday, January 31 after a short illness, at the age of 67 years. Mrs. Roberts was a daughter of Mr. and Mrs. Rufus B. Lake. Her husband, Stephen D. Roberts, died several years ago. The survivors of her family are a sister, Mrs. William Tobin, a brother, Warren Lake, two daughters, Mrs. Frank Norton and Mrs. Julia Potter, also a son, Stephen Roberts, all of Dorset. The last sad rites were conducted at the hall by the Grange, assisted by Fuller Post and W. R. C. of which orders Mrs. Roberts was an industrious and useful member, taking great interest in affairs of these societies. She was a kind woman, a good neighbor and had many virtues which endeared her to those who knew her best.

A capacious stronghold of some sort should be in readiness somewhere to hold the numerous criminal candidates from the north part of the county, although some just now are eluding the officers of the law. On Sunday night the residence of Mrs. Humphrey who winters in New York, was rudely broken into and thoroughly ransacked. It remains to be known when members of the family shall arrive, how much damage was done. The marauders left considerable evidence behind which will doubtless lead to a speedy arrest. Instead of residents of this section begrudging the new court house and jail to Bennington and arguing the case at great length in the papers, it might be well to use their "zeal" in other directions. Some one must now be found to "bail" the microbe, if caught! We know of several, however, who would not carry them bouquets if they were safely ensconced behind bars.

VINOL CURES CHRONIC COUGHS, COLDS AND BRONCHITIS

After Other Remedies Fail

"I have been troubled with a chronic cold and bronchitis for a long time and have tried many remedies without finding relief. Through the kind suggestion of a friend I tried Vinol, and after taking four bottles, am entirely cured." A. H. Wilde, 733-5th Avenue, Minneapolis, Minn.

S. McDonald, 147 W. Congress St. Paul, Minn., writes: "I contracted a severe cold last winter and thought I would never get rid of it. I tried Vinol as a last resort, and it has completely cured me."

Vinol combines two world-famed tonics, the healing, medicinal properties of cod liver oil and tonic iron, deliciously palatable. For this reason, Vinol is unexcelled as a strength-builder for old people, delicate children, weak and run-down persons, after sickness and for Chronic Coughs, Colds and Bronchitis.

Two Old Adages.

There are two old adages, "Haste makes waste" and "Make haste slowly," that every one should employ when they undertake to cure a cough in a few minutes with preparations containing morphine, opium, chloroform or other narcotics. They may stop the cough and cause sleep quickly, but they also dry up the secretions and constipate, leaving oftentimes a far worse trouble. Rydals's Cough Elixir is guaranteed under the Pure Food and Drugs Law to contain no opiates nor harmful drugs of any kind or character. Think about it when you or one of the children have a cough.—Shurtliff's Pharmacy.
